

## **BRENTWOOD VOLLEYBALL CLUB FEES FOR 2010 - 2011**

### **RATIONALE FOR SETTING SUBSCRIPTION LEVELS**

Subscriptions are determined to be equitable for all players, reflecting use of club facilities and the player's ability to pay. Ideally, we would offer free volleyball, but at present we need this money to pay the bills. When the season begins please assist us by offering to pay your subscription, rather than waiting to be asked. If the fees or the payment methods present any difficulties please don't hesitate to contact the Treasurers, Lorraine Bartlett and Sam Ehren to resolve them. Please remember the sooner we are aware of such situations the sooner we can assist, as our aim is to get as many people playing volleyball as possible.

### **CONCESSIONS**

The club does offer concessions to players, please speak to the Treasurers for more information if you think you may be eligible. The club does NOT offer concessions for those who are injured for periods of less than two months during the season. If you are injured for a period exceeding 2 months please contact the Treasurers to discuss your subs.

### **PAYMENT METHODS**

- Direct Debit settlement to the Club account held with Barclays Bank plc, with the following details:

**Account Name:** Brentwood Volleyball Club  
**Sort Code:** 20 19 95  
**Account Number:** 70656658  
**Reference:** [Your name] BVC FEE

- Cheques made payable to 'Brentwood Volleyball Club'.
- Cash payment.

If you choose to pay by either cash or cheque, please ensure that you hand your payment to either of the Treasurers or the designated fee collector in your team.

**Please be made aware that the total subs owed by you for the 2010 – 2011 season should be paid in full by no later than end of April 2011.**

Please note those who do not pay their fees on time or make arrangements with the Treasurers, will be excluded from training sessions and matches. This is the only way to pay the bills!  
If you are unsure how much you owe please contact either of the Treasurers (Lorraine Bartlett and Sam Ehren)

**The fees for the period September 2010 to April 2011 are on the attached page.**
